Mayor Talley asked what the funds would be used for.

Assistant Chief King stated it could be used for covert operations, tracking devices, etc. He stated the funds were also used for active investigations. He noted there was a list of different uses approved through the Asset Forfeiture Program and funds could not be used to supplant the budget. He shared the funds were not taxpayer dollars they were from asset forfeitures.

Mayor Pro Tem Hall motioned to approve the Consent Agenda items, seconded by Council Member Chin. The motion passed unanimously.

PUBLIC HEARING:

ITEM 1: TEXT AMENDMENT – RECREATIONAL OPEN SPACE – AM2402

City Council considered an Ordinance amendment to Article 4, Division 12, Section 10.249 Open Space Provisions for R-12, R-15, and R-18 Zoning Districts in the Development Ordinance to require recreational open space in all open space subdivisions.

The public hearing was opened and no one spoke.

Mayor Talley expressed concern when developers come in and completely clear-cut property and do not leave any natural buffers. She asked how language could be added to address things such as no clear-cutting, incorporating open space throughout the development keeping mature trees and natural vegetation, landscape buffers, and building with the natural features and topography to avoid excess disruption to soil erosion and take into consideration the surrounding properties.

Assistant City Manager Holland stated the proposed text addresses being conservative with land disturbance automatically and was set up that way to protect sensitive areas. He stated language was already in the text addressing the disturbance areas where you do not have to. He noted the proposed text amendment was based on discussions with the Council to prohibit developers from vaguely using open space. He noted previously developers could just show on plans an open space that checked a requirement but now it is more specific and requires developers to dedicate a certain amount of open space for specific recreation purposes. He noted the additional language now addresses the previous deficiency regarding gathering open space.

Mayor Talley expressed concerns about lot sizes and said that open spaces allow developers to develop smaller lot sizes.

Assistant City Manager Holland stated currently a developer could request an R12 and get a 10,000 square foot provision. Still, the new language would address the open space, making them put more effort into it. He stated addressing lot sizes would be a bigger text amendment than what was being discussed tonight and would require a complete rewrite.

Mayor Talley stated the proposed language would improve it and asked how long it would take to revise this section of the ordinance.

Assistant City Manager Holland stated it could take a few months depending on how many other places of the ordinance a text change could impact.

Council Member Chin stated it would be piecemealing and recommended approving what was presented tonight and preparing to undergo a full rewrite in the next budget year.

Assistant City Manager Holland stated staff could take a look at this particular section to determine if it could be amended to address the concerns of lot sizes. He stated it would take several months before it would come back to the Council for review.

Tom Boney, Alamance News, inquired about changes in the text amendment.

Motion by Council Member Whitaker to close the public hearing, seconded by Mayor Pro Tem Hall. The motion passed unanimously.

Motion by Mayor Talley to approve the Ordinance amendment to Article 4, Division 12, Section 10.249. Open Space Provisions for R-12, R-15, and R-18 Zoning Districts in the Development Ordinance to require recreational open space in all open space subdivisions with instructions for staff to look at a full-rewrite of this section over the next two months and come back to Council with recommended verbiage, seconded by Council Member Whitaker. The motion passed unanimously.

ITEM 2: TEXT AMENDMENT - HISTORIC RESOURCES COMMISSION – BOARD REDUCTION

City Council will consider an Ordinance amendment to Chapter 2 (Administration), Article II, Division 3, Boards and Commissions, to the Code of Ordinances to reduce the Historic Resources Commission from seven to five members.

Assistant City Manager Holland stated City Council had requested staff to create a text amendment that would reduce the number of Historic Resource Commission members from a board of seven to five due to the lack of a quorum with the current appointed members. The Planning Board recommended approval of the amendment as it was written.

The public hearing was opened and the following spoke:

Tom Boney, Alamance News, questioned if the board currently had a quorum.

Mayor Talley stated that was the main reason for reducing the number of members from seven to five.

Motion by Mayor Pro Tem Hall to close the public hearing, seconded by Council Member Whitaker. The motion passed unanimously.

Council Member Chin amended his first motion which stated the incorrect ordinance section to the following:

Motion by Council Member Chin to approve an Ordinance amendment to Division 10, Section 10.201(c)(1). Historic Resources to the Development Ordinance to reduce the total number of members

of the Historic Resource Commission from seven members to five members, seconded by Mayor Pro Tem Hall. The motion passed unanimously.

ITEM 3: TEXT AMENDMENT – SIGN ORDINANCE – NO SOLICITING SIGNAGE EXEMPTION

City Council considered a Text Amendment to Article 10, Section 10.393. Exemptions in the Development Ordinance to allow no soliciting signs as an exemption.

Assistant City Manager Holland stated staff was requesting a text amendment to the sign ordinance that allows for No-Soliciting signs to be installed at the main entrance of developments subject to certain stipulations. He stated this request stemmed from a previous amendment to the code of ordinances which allowed these types of signs to be approvable in the City limits. He noted when this amendment was approved, there was never a similar amendment added in the Development Ordinance where staff could permit these signs by adding requirements to the size, location, and entity when installing no soliciting signage.

Mayor Talley asked about the rule if a sign was posted and someone was soliciting door to door.

Council Member Whitaker said it would be against the ordinance and they could call the police and have them leave.

The public hearing was opened and the following spoke:

Mr. Keith Westbrook, 604 Trock Wilder Court, Graham, inquired about the numerous small advertising signs around town that were an eyesore.

Motion by Mayor Pro Tem Hall to close the public hearing, seconded by Mayor Talley. The motion passed unanimously.

Motion by Council Member Whitaker to approve text amendment to Article 10, Section 10.393. Exemptions in the Development Ordinance to allow No-Soliciting signs as an exemption, and for the signage not to exceed four square feet, seconded by Mayor Pro Tem Hall. The motion passed unanimously.

She noted the proposed date was set for Saturday, May 17, 2025, from 10:00 am to 4:00 pm, with planned attractions such as live music, art vendors, artist demonstrations, community organizations, kids zones, food trucks, and more.

Mayor Talley asked about adding the Burlington Artist League and Alamance Arts to inquire about their participation. She questioned using Extra Duty Solutions versus requiring staff to be present at City-sponsored events and the City should pay officers directly and not go through Extra Duty Solutions.

City Manager Garner stated if the City Council wanted to direct staff to provide police officers from the Graham Police Department for this event, we would coordinate that with the Police Department. She further stated that reviewing EDS as a whole for other City events would be wise and would come back before Council with the pros and cons and the Council could then make an informed decision for moving forward.

Mayor Talley asked if Ms. Griffin would hold a planning session with the downtown businesses and those wanting to volunteer.

Ms. Griffin stated she welcomed any input from those with more experience and knowledge about artists than she and would be open to holding a public interest meeting to gain feedback and determine where people are interested in volunteering.

City Manager Garner stated staff would update the Council periodically as they moved through the process of developing this event.

Mayor Pro Tem Hall asked if there was a name for this event.

City Manager Garner stated she needed Council consensus on reviewing the EDS process and naming the event so staff has direction to move forward.

Mayor Talley suggested Arts Around the Square.

After a brief discussion, it was the Council's consensus to have staff come up with names and bring them back to the Council to consider.

Mr. Tom Boney, Alamance News, asked if the name Arts Around the Square was in any way trademarked. Staff will research the name.

Ms. Griffin asked the Council for permission to request street closures to begin inviting vendors and supplying contracts.

Council agreed.

ITEM 5: ABSS & CITY OF GRAHAM – JOINT USE AGREEMENTS – RECREATION AND PARKS

City Council will consider two joint agreements between the Alamance-Burlington School System (ABSS) and the City of Graham to use multiple recreation facilities.

Recreation and Parks Director Bryan Faucette stated the first Joint Use Agreement would replace a contract signed in 1999 between ABSS and the City, which governs the use of athletic facilities at Graham Middle School (football/soccer field, softball field, walking track) and was set to expire

September 2024. The new Joint Use Agreement would continue the current responsibilities and uses.

Changes included; a) the addition of three coordinating meetings between ABSS and the Graham Recreation and Parks Department (GRPD) to establish maintenance schedules, develop and update the GMS master calendar as well as inspect facilities, and b) clarification of maintenance responsibilities outlining the GRPD would perform maintenance to all grounds while ABSS would be responsible for facility maintenance and repairs.

He stated the second Joint Use Agreement would formalize individual arrangements that had governed the City's use of Ray St. Gymnasium and ABSS's use of Room #2 at the Graham Recreation Center and the tennis courts at Bill Cooke Park. The GRPD uses the Ray St. Gymnasium as a secondary site for the youth basketball program. ABSS uses Room #2 at the Graham Recreation Center for pre-K and early intervention programs and the tennis courts at Cooke Park for Graham High School tennis programs.

Motion by Council Member Whitaker to approve the Joint Facility Use Agreement for Graham Middle School Athletic Facilities and a Joint Facility Use Agreement for Ray Street Gym, Bill Cooke Park Tennis Courts, and Room #2 at the Graham Recreation Center, seconded by Mayor Pro Tem Hall. CITY COUNCIL COMMENTS

Council Member Chin stated the Sesquicentennial Park was continuing to sink and break down. City Manager Garner stated staff would be prepared to give an update in September.

Mayor Pro Tem Hall asked that the Council look at the Solicitation Ordinance regarding door-to-door sales. He suggested having a time set for soliciting such as 9:00 am to 5:30 pm.

Mayor Talley shared she was getting complaints from businesses regarding panhandling and asked if the parking enforcement officer could be trained to handle people who are doing aggressive panhandling. She shared the many issues it is causing downtown businesses and asked if it was possible to make him full-time and not just handle traffic but also panhandling.

City Manager Garner stated it was possible to make the parking enforcement officer full-time and asked if that was something the Council wanted to pursue. She stated it would be a cost and would bring that request forward with the associated cost. Council consensus was to evaluate to determine the best solution for the problem.

Mayor Talley also inquired about a reported AirBnB house located on Main Street that is renting rooms for \$30 a night. She shared it may not have a stove or refrigerator and it was not operating like a typical AirBnB. Staff will look into this issue.

Mayor Talley shared the following events:

- August 24, 2024 – Downtown Businesses Hoe Down
- September 13-15, 2024 – Ballon Festival – Cedarock Park
- September 21, 2024 - Grahamtoberfest – Downtown Graham Elm Street

STAFF REPORT

SUBJECT:	SESQUICENTENNIAL PARK – REQUEST FOR BIDS
PREPARED BY:	MEGAN GARNER

REQUESTED ACTION:

Direct staff to either: A). issue a request for bids for the one, a combination thereof, or all of the following options for Sesquicentennial Park: 1). Repair the park in its current location; 2). Move the park to the Civic Center; and 3). Remove the park and grade the top surface only of the property; or B). close the park, remove the memorial items, and sell the property as is.

BACKGROUND/SUMMARY:

City Council discussed preliminary options for the floor of the Sesquicentennial Park at the March 12 and April 9 meetings. Contractors have been reluctant to provide any firm pricing estimates because the scope of work will require it to be bid. Due to the floor sinking, the park will be closed in the near future with temporary fencing put in place in order to reduce the likelihood of incidents.

FISCAL IMPACT:

Cost will depend on the alternative selected by City Council and once bids have been received, if that is the selected option.

STAFF RECOMMENDATION:

Staff is requesting direction from City Council to either proceed with a request for bids for options 1-3 or any combination chosen by Council or determine some other course of action for the property.

SUGGESTED MOTION(S)

Direct staff to either issue a request for bids or another alternative for Sesquicentennial Park.

SUGGESTED MOTION(S):

I MAKE A MOTION TO APPROVE THE STAFF RECOMMENDED CLOSURES.

STAFF REPORT

SUBJECT:	CIVILIAN TRAFFIC INVESTIGATOR (PAY GRADE 12)
PREPARED BY:	CAPTAIN DANIEL SISK

REQUESTED ACTION:

Approve a title change from Traffic Enforcement Officer to Civilian Traffic Investigator, transition of the existing employee from part-time to full-time effective September 22, 2024, and a budget amendment in the amount of \$42,000 to cover the expenses through the end of fiscal year 2025.

BACKGROUND/SUMMARY:

At the August 13, 2024 meeting, City Council decided via consensus to direct staff to evaluate the possibility of transitioning the part-time Traffic Enforcement Officer to full-time. When evaluating the potential duties of this position, the following were identified:

Business district patrols for the observance and reporting of ordinance violations. Employee would regularly make contact with the business owners to address and report local concerns to the proper city departments.

The person assigned to this job class would continue to fulfill the duties of our parking enforcement officer and provide additional foot patrols in the business district. In addition to the traffic enforcement and public outreach duties, this position will also be able to investigate traffic crashes involving only property damage. In 2023, the Graham Police Department responded to 250 property damage crashes along S. Main St. from Albright Ave. to Ivey Rd. That accounted for approximately 25% of all property damage traffic crashes in 2023. The ability to employ a civilian traffic investigator would allow our agency to free up sworn personnel to handle other areas of concern in their assigned zones. They would also provide a force multiplier for traffic direction during special events and traffic crashes being investigated by our sworn personnel.

FISCAL IMPACT:

The current Parking Enforcement position is budgeted for \$15,000. Using the existing pay grade annualized, the estimated costs are below.

The initial cost to onboard a full-time employee at a pay grade 12 for the first year.

1.	Pay Grade 12 Annual Salary	\$38,769
2.	Fringe Benefit Cost (Health, Dental, Vision, Life)	\$10,122
3.	Laptop	\$3,500
4.	Cradle point Router	\$1,600
5.	Cell service for cradle point	\$456
6.	Body Worn and In-Car Camera	\$2,268
7.	Vehicle Supplies (Roll tape, Flares, etc.)	\$500
8.	Uniforms	\$500
	Total:	\$57,715

STAFF RECOMMENDATION:

Approval.

SUBJECT:	PEDESTRIAN PLAN DISCUSSION
PREPARED BY:	AARON HOLLAND, ASSISTANT CITY MANAGER

REQUESTED ACTION:

Discuss and provide any comments for the proposed City of Graham Pedestrian Plan Update.

BACKGROUND/SUMMARY:

With the approval to proceed by City Council in 2023, the City of Graham and the NCDOT Integrated Mobility Division (IMD) proceeded with an update to the existing Graham Pedestrian Plan. The current plan was adopted in 2006 with several areas needing to be revised due to the growth of the city in areas not currently highlighted in the existing plan. With consideration to the steering committee and public engagement input, recommendations were carefully integrated into the plan. Recommendations include prioritized implementation and funding strategies supporting near-term (within five years) to long-range projects, facility standards, and a cohesive vision to improve safety, comfort, and promote economic development.

In addition to supporting multimodal, Complete Streets, and community goals, the plan also looks to comply with IMD Bicycle and Pedestrian Planning Grant Initiative. The plan focuses on potential improvements, with special focus on safe crossings and connecting the City's new growth with pedestrian and multi-use path facilities.

Executive Summary

This executive summary provides a brief overview of the City of Graham Pedestrian Plan and key recommendations.

About This Plan

The City of Graham Pedestrian Plan (“the Plan”) provides guidance for the City, North Carolina Department of Transportation (NCDOT), Alamance County, Burlington–Graham Metropolitan Planning Organization (BGMPO), and other stakeholders in developing improvements to the City of Graham pedestrian infrastructure, programs, and policies.

The Plan was developed through extensive public outreach, review of existing conditions, coordination with a dedicated Steering Committee, and consideration of the City’s vision and goals. Graham seeks to become a more pedestrian friendly City that encourages the choice to walk, advance the community’s mobility and quality of life, and improve pedestrian connectivity to key destinations for residents and visitors of all ages and abilities. During the planning process, Graham residents and stakeholders voiced their concerns and hopes for walking throughout the City and to other destinations in Alamance County.

The Plan is primarily focused on infrastructure improvements in support of walking, improving crossings at roadways, and building out and connecting to a regional greenway network. The benefits of walking and recommended policies and programs to support active transportation are reviewed as part of the Plan appendices.

Priority Recommendations (Top Eight Combined Projects)

The Plan identified a total of eight priority project bundles (made up of 30 individual projects – including 13 linear pedestrian projects and 17 intersection-related projects) to improve walking in Graham. These projects were selected through a process that began with identifying the City’s vision and goals, mapping priority and secondary corridors, and creating projects to match the City’s mobility and safety needs. Finally, all recommended projects were ranked according to criteria developed with the City and Steering Committee that prioritized connections to key destinations, extending the existing pedestrian network, safety, equitable pedestrian access, recreation, and cost effectiveness. The top 8 projects are as described in Table I-1 and illustrated in the map in Figure I-1.
